Airlay is a proudly Australian-owned, family-operated brand dedicated to refined, design-led and sustainably considered solutions.

We curate contemporary collections defined by elevated design, considered aesthetics, rich tonal palettes, and environmentally responsible, practical applications.

Our process is shaped in collaboration with interior designers and architects. Each collection is developed through dialogue with the industry to ensure relevance, restraint, and intent.

Our products are ethically sourced from certified eco-conscious manufacturing partners and distributed directly from our Melbourne warehouse, ensuring uncompromising standards of quality, reliability, and efficiency.

Our foundation is built on strategic marketing expertise, proven commercial acumen, and an intimate understanding of the local design landscape, underpinned by meticulous attention to detail.

Progressive yet considered, contemporary yet enduring, we offer a highly personalised and focused approach, defined by integrity, precision, and consistency in delivery.

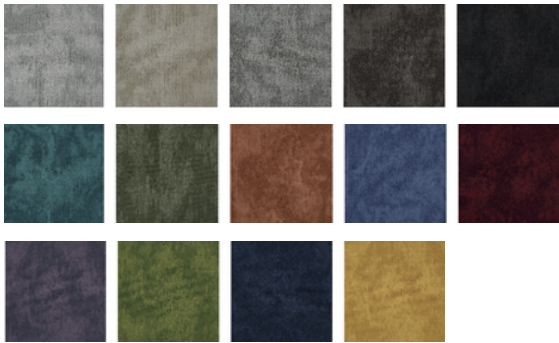

PEBBLE COLLECTION

In-Stock Trends for Your Next Project

A considered selection of carpet tiles and planks, offering warmth and softness, paired with sleek vinyl planks defined by modern, enduring durability. Presented in a refined palette of tones and finishes, crafted for high-traffic, design-led environments.

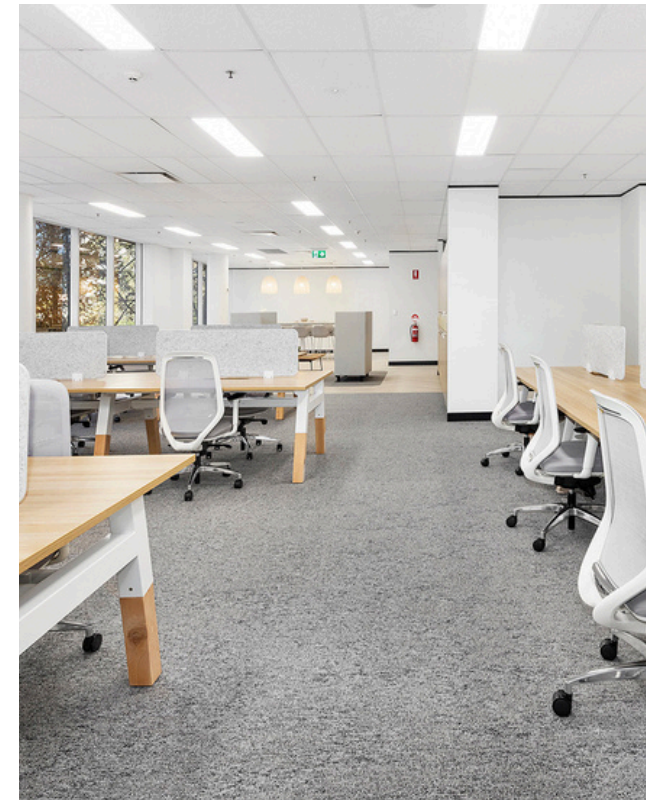

MYSTIQUE COLLECTION

Chatswood Suites | NSW

A beautifully modern workspace that is carefully considered. Crisp white walls paired with a neutral palette create a minimal yet inviting space. Our Pebble carpet planks are seen throughout and offer a unique and distinctly handcrafted feel.

Ray White | Coburg VIC

The bustling Ray White real-estate office in Coburg has been fitted with our ever popular Sierra Smoke carpet tiles. The traditional design made from Solution dyed nylon is practical and durable providing an impressive solution for heavy commercial interiors.

Product: Sierra Carpet Tiles - Smoke
Installation: Elite Flooring

TESLA | Alexandria NSW

In collaboration with Schiavello Construction and leading electric vehicle car manufacturer, Tesla, Airlay was engaged to deliver the flooring solution for this extensive office refurbishment.

The project includes an integrated customer lounge and forms part of the Tesla showroom, blending premium design with functional innovation.

To elevate the space, Airlay Dusk NightTide carpet tiles was selected, symbolic of mystery, power, elegance, and sophistication. With its dark, moody tones and textured finish, Dusk NightTide offers a practical yet striking flooring solution that complements Tesla's iconic brand identity.

Product: Dusk Carpet Tiles – NightTide
Designer: Schiavello Construction
Contractor/Installer: Inline floors Sydney

Wealth PI | Brighton VIC

The installation of Pebble Aquamarine and Metal carpet planks brings a stunning sparkle to the newly designed Wealth PI offices. The visual delight of this modern interior exemplifies excellence and showcases the company's commitment to a stylish and contemporary workspace.

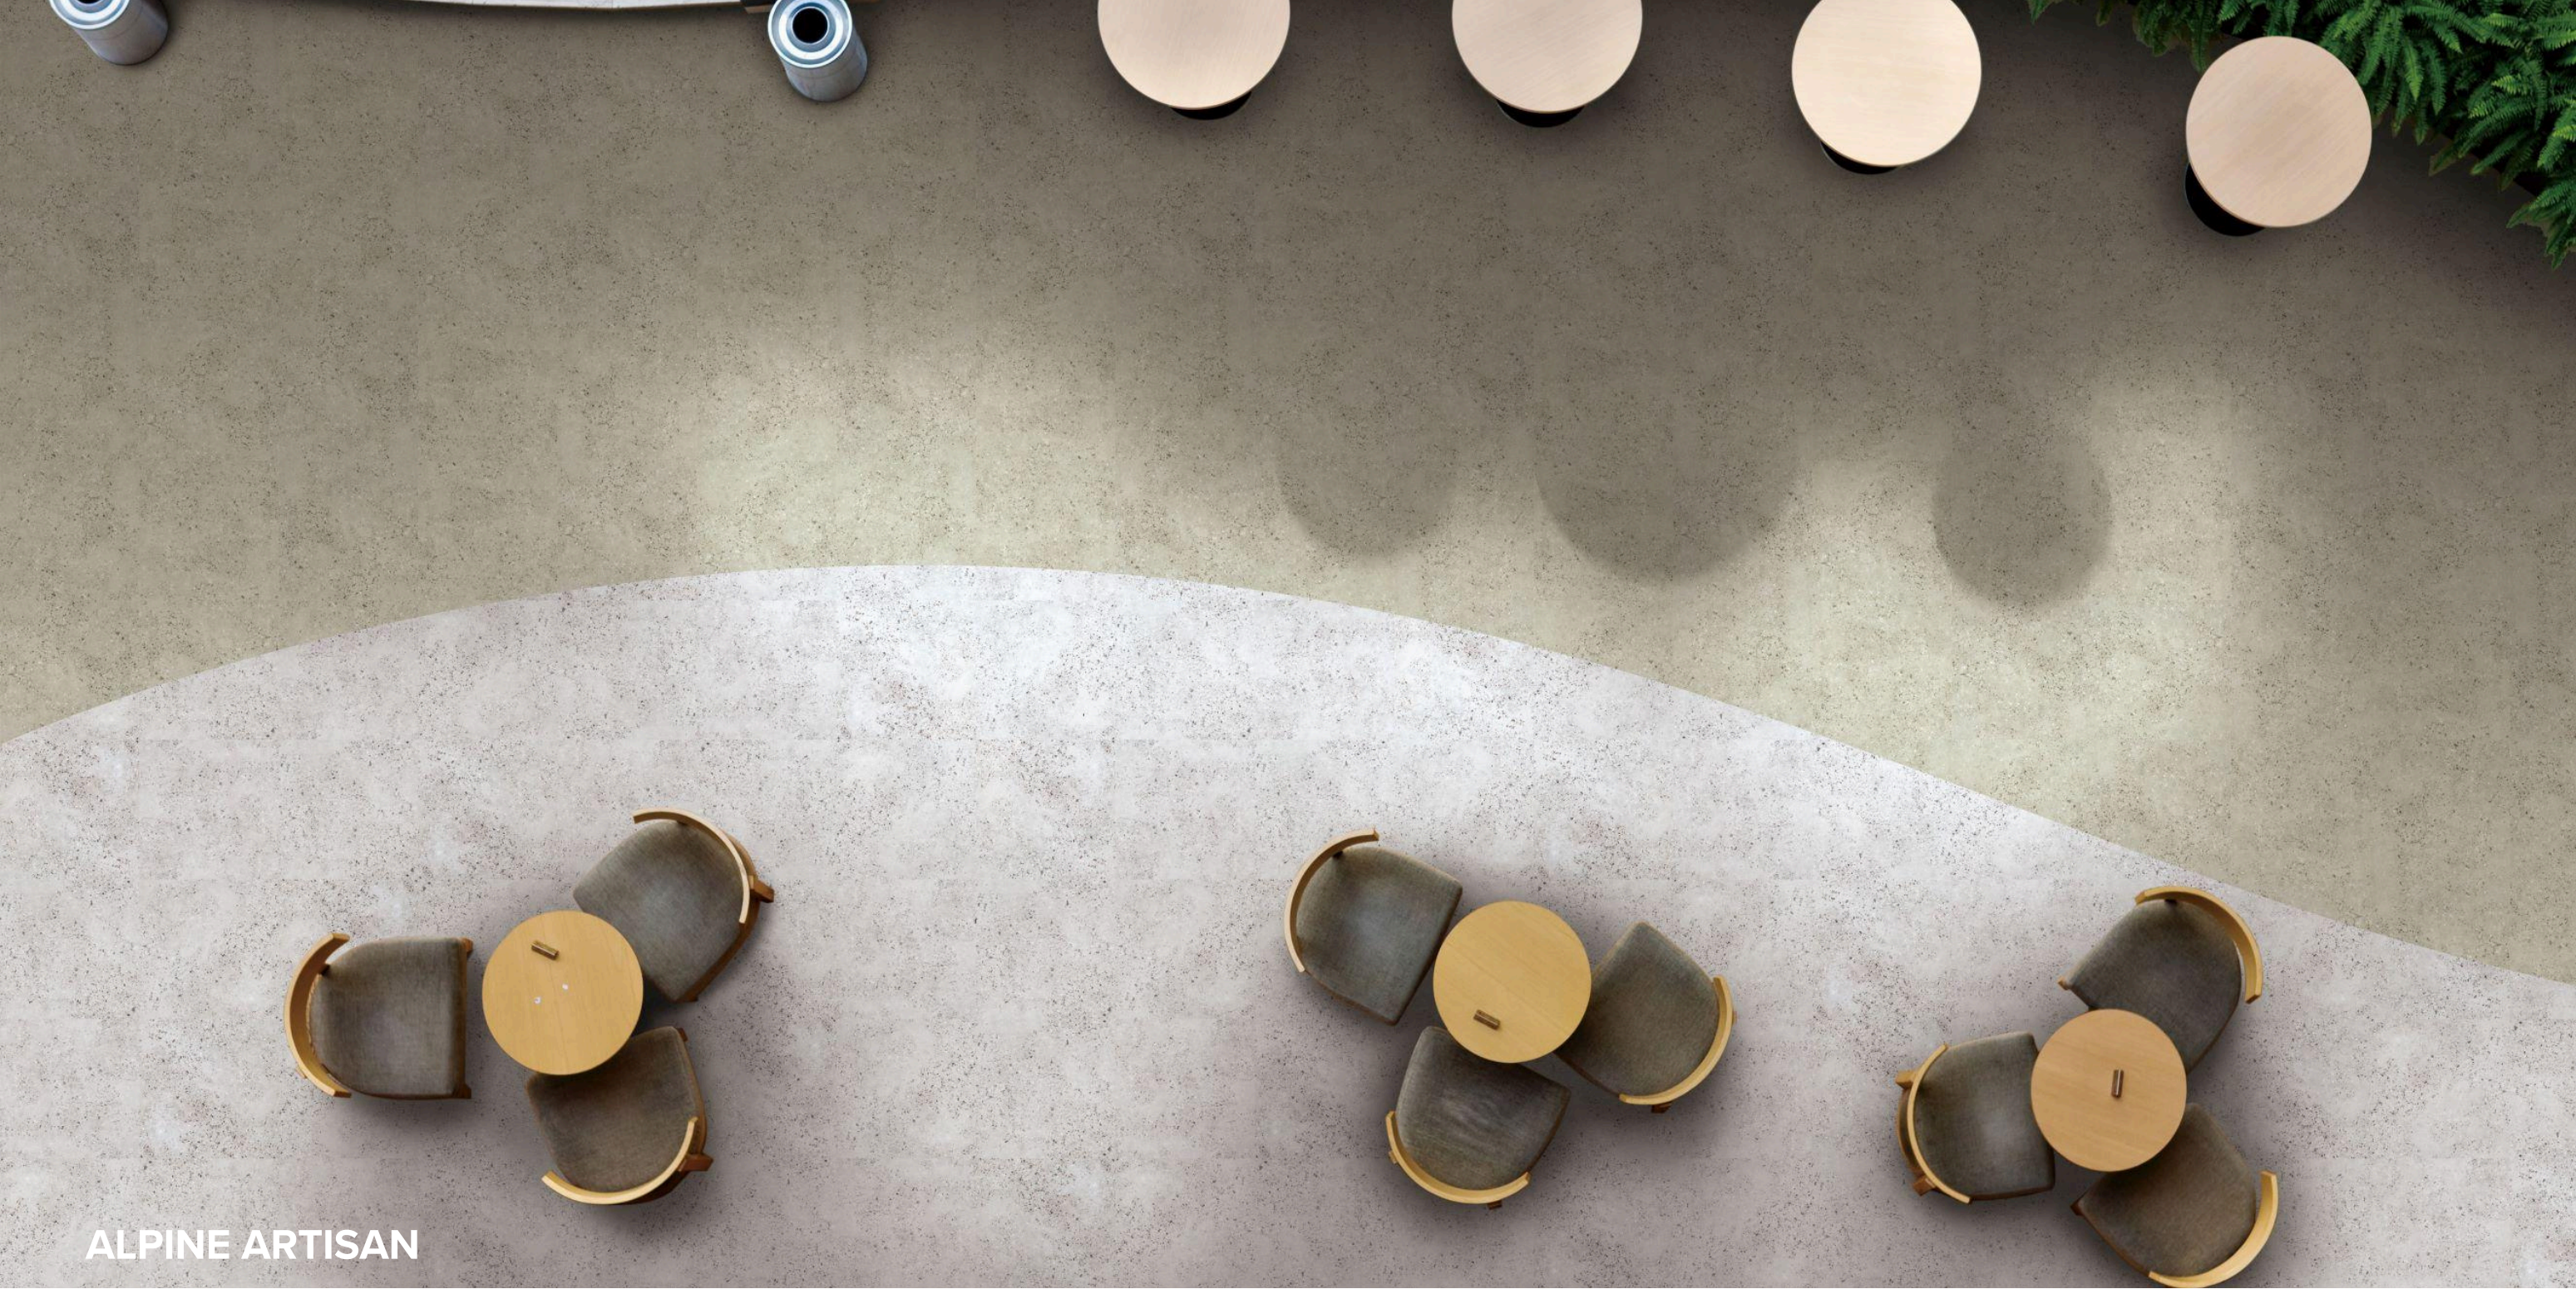

Product: Pebble Carpet Plank - Aquamarine and Metal
Designer: s2dio-X Architects
